Re: Legible Copies of Cut/Fill Cross Sections, Attachment E, Appendix VII of Reclamation Plan, PacifiCorp, Cottonwood/Wilberg Mine, C/015/019-AM00A-2, Outgoing File

Dear Mr. Semborski:

Modifications to Appendix VII were approved on June 4, 2002 and distributed with a cover letter dated September 13, 2002. After the fact, the Division noted that Cut/Fill cross sections in Attachment E of Appendix VII were illegible. Your staff has kindly provided replacement pages (in color) for direct insertion into the MRP.

The seven copies are being distributed as follows: Office of Surface Mining; Bureau of Land Management; United States Forest Service (2 copies); Division of Oil, Gas & Mining (2 copies) and Energy West Mining Company.

No modifications to the MRP were made and there was no C1/C2 form accompanying these replacement pages. When replacing these eight cross-sections and location map in Attachment E of Appendix VII, take care not to discard the four pages of text in that Attachment.

If you have any questions, please call me at (801) 538-5268 or Priscilla Burton at (801) 538-5288.

Sincerely,

Pamela Grubaugh-Littig

Permit Supervisor
